

BLURB TO SHARE:

Today, hundreds of cosplayers and internet supporters around the globe are taking a stand about the inequality of female super heroines in the media and on the shelves, especially for our favorite female Avenger. We want to see Black Widow given the same attention as her male counterparts. She deserves it. We deserve it. Today we want our message heard loud and clear #WeWantWidow. For all the deets about this multi-city flash mob movement, check out <http://riellygeek.com/WIDOW>.

TWEET EXPLANATION:

Fans all over are uniting because #WeWantWidow! Black Widow deserves equal representation on screen & in stores. <http://riellygeek.com/WIDOW>
