*****PRESS RELEASE CONFIRMATION*****

“BLACK WIDOW FLASH MOB” SATURDAY, JUNE 6 2015 AT 12:00 P.M. LOCAL TIME

WHAT: We have coordinated a massive multi-city flash mob for June 6th 2015, where hundreds of cosplayers will be dressed as Black Widow to send a POSITIVE message that this is a character we WANT to see more of. We want to see her star in her own movie, we want to see her on apparel, and she totally deserves her own action figure!

Each city flash mob has a secret location where Natashas will appear, create buzz, get their images online, and trend our message **#WEWANTWIDOW**.

In collaboration with our cosplayers, we have hundreds of online supporters that will be simultaneously changing their profiles to a Black Widow image while sharing our flash mob photos across every social media site.

When: **Saturday, June 6 2015 beginning at 12:00 p.m. local time**

Where: **From Seattle to Boston, and Canada to Sydney**
